ACADEMIC PERFORMANCE & EVALUATION COMMITTEE (APEC)

Academic Performance Evaluation Committee (APEC)

A Performance Evaluation Committee has been constituted to oversee the stakeholders' academic progress. To support the College's strategic objectives and maintain coherence with the academic vision of the institute, the committee also evaluates the fairness, effectiveness, credibility, and professional quality. The committee reviews the appropriate execution of the recommendations made by the college council.

Objectives:

- ✚ Lead on the overall strategic direction and delivery of academic programmes and research in line with the College's vision.
- ✚ Establish curriculum mapping that guides the college forward and formulate perspective plans to evaluate effective teaching and learning process of the college.
- ✚ Promote curricular and programmatic assessment, collection and review of data, introduction of skill-based certificate/add on courses to ensure continuous quality improvements.
- ✚ Scheduling faculty meetings to formulate and implement academic plans.
- ✚ Provide recommendations to the IQAC based on the periodical review of academic programs and performance of the institution.
