1. About the Department

The Postgraduate Department of Commerce at our college stands as the largest and most vibrant academic department, having been established in 2009 with the introduction of the B.Com Computer Application program. In 2013, it further expanded its academic offerings by adding the M.Com program and in 2023 an additional batch is introduced as B.Com with Finance.

The department boasts a dedicated and dynamic team of eight faculty members who bring a wealth of knowledge and experience to the students. Beyond traditional academics, the department is committed to enhancing the overall educational experience by organizing various programs, extension activities, exhibitions, and industrial visits. Notably, it also places a strong emphasis on promoting women's empowerment and fostering entrepreneurial skills, equipping students for a competitive and evolving business landscape.

2. Vision And Mission

Mission

"To empower students with the knowledge, skills, and experiences needed to excel in the ever-evolving world of commerce and contribute to economic growth and sustainability."

Vision

- Empower through Excellence: Provide rigorous education and emphasize ethical values, preparing students to excel in commerce.
- Bridge with Industry: Connect students with real-world commerce experiences through partnerships and internships, while upholding ethical standards.

- Inspire Innovation: Encourage entrepreneurship and innovation with a special focus on empowering women entrepreneurs

6. Department Senator system

The department senator system on a campus is designed to ensure student representation in the decision-making processes of academic departments and the broader university administration. The primary purposes of this system include

- Representation: To provide a voice for students in departmental and university governance, ensuring that their concerns, suggestions, and needs are considered.
- Communication: To facilitate effective communication between students and faculty/administration, keeping students informed about important developments, policies, and opportunities within the department and university.
- Feedback: To gather and relay feedback from the student body to the department, helping to improve educational programs, support services, and overall student experience.
- Engagement: To promote student engagement and participation in departmental activities, events, and initiatives, fostering a sense of community and collaboration

9. Tutor Meeting

Purpose: The primary purpose of our monthly tutor meetings is to facilitate collaboration, foster a sense of community among faculty members, and address any challenges or concerns related to teaching and learning.

Objective: Our overarching objective is to enhance the quality of education delivered at our institution by promoting continuous professional development, sharing best practices, and staying abreast of the latest pedagogical trends and advancements.

Meeting Time: In order to ensure consistency and facilitate planning, the monthly tutor meetings are scheduled to take place before the 5th of every month. The specific time and location will be communicated well in advance, allowing ample time for preparation.

Frequency: Each month, a single tutor meeting will be held, providing an opportunity for all faculty members to actively participate and contribute to the ongoing dialogue surrounding education excellence.

Total Number of Meetings: Over the course of the academic year, a total of 10 tutor meetings will be convened, enabling us to maintain regular communication and collaboration throughout the entire academic cycle.

These meetings are not only a platform for professional growth but also an occasion to celebrate our collective achievements and reaffirm our commitment to student success

18. Seminar and conferences

Seminars and conferences are valuable platforms for students and professionals to exchange ideas, discuss current trends, and enhance their knowledge in various fields. These events typically feature guest speakers, presentations, panel discussions, and networking opportunities, providing attendees with insights and inspiration for their academic and professional pursuits. The PG Department of Commerce organizes such programs regularly, bringing together experts and enthusiasts to explore emerging topics and share expertise, enriching the learning experience for students and contributing to the academic community at large.

19. PTA Meeting

Parent meetings are essential gatherings that provide an opportunity for parents and teachers to discuss the progress and development of students. These meetings typically involve discussions about academic performance, behavior, and any concerns or challenges the student may be facing. They also serve as a platform for parents to provide feedback and suggestions to improve the educational experience of their children. Our department conducts these meetings regularly, fostering collaboration between home and school to ensure that students receive the necessary support and guidance to thrive academically and personal.

20. Extension and outreaching activities

Extension and outreach programs in college are initiatives aimed at extending the institution's resources and expertise to the surrounding community or specific target groups. These programs often involve various activities such as workshops, seminars, training sessions, community service projects, and awareness campaigns. They serve to bridge the gap between academia and society by addressing local needs, promoting social responsibility, and

programs not only benefit the community by providing access to knowledge and resources but also enrich the educational experience of students by allowing them to apply their skills in real-world contexts and develop a sense of civic engagement.

21. Collaboration and MOU

Collaboration and Memorandums of Understanding (MOUs) between colleges and other institutions are vital for fostering partnerships and enhancing educational opportunities. These collaborations can involve joint research projects, faculty exchanges, student exchange programs, and sharing of resources and expertise. Through MOUs, colleges can establish formal agreements outlining the terms of collaboration, including goals, responsibilities, and areas of cooperation. Such partnerships not only enrich the academic experience for students but also promote knowledge exchange and innovation. They facilitate the sharing of best practices and resources, ultimately benefiting both institutions and contributing to the advancement of education and research.

23. Alumni

Alumni play a vital role in the life of a college, contributing in numerous ways that benefit both the institution and current students. Here is a brief overview of their importance and involvement. Importance of Alumni Contributions are Financial Support, Networking Opportunities, Mentorship, Reputation and Prestige and Volunteering. Alumni Meetups and Activities are Reunions, Networking Events, Workshops and Seminars, Social and Cultural Events and Community Service Projects. In the year 2023-2024 department conducted an alumni interaction with the students of the institution in the head **SAY IT (Safa Alumni Youth Inspirational Talk)**. The details are given below

1	Career Opportunities and Market Demand In CA/CMA /ACCA	27-09-2023	Mrs Safvana K (Student Coordinator Pacioli Gurukul Thiruvegapura)	51

24. Cross Cutting Issues

Cross-cutting issues in college syllabi and curricula are essential themes integrated across various programs to address broad societal challenges and promote holistic education. These issues often include gender, human values, professional ethics, and environmental sustainability. Integrating cross-cutting issues like gender, human values, professional ethics, and environmental sustainability into college curricula ensure that students receive a well-

rounded education. This approach not only enhances their academic knowledge but also prepares them to be responsible, ethical, and informed citizens capable of contributing positively to society and the environment. The following are the programs

25. Conclusion

In conclusion, the academic year 2023-2024 has been a year of remarkable achievements and progress for the PG Department of Commerce. Through a series of meticulously planned programs and initiatives, we have successfully fulfilled our commitment to providing holistic education and fostering a conducive learning environment.

Our department has been proactive in organizing various cross-cutting programs and capacity enhancement initiatives, aimed at nurturing well-rounded professionals equipped with both theoretical knowledge and practical skills. Collaborations through MOUs have further enriched our academic ecosystem, offering students exposure to diverse perspectives and opportunities.

The seminars conducted on Intellectual Property Rights (IPR) and research methodology have been instrumental in fostering a culture of innovation and academic rigor among our students. Furthermore, our efforts in facilitating placements and guiding students towards

higher education reflect our dedication to empowering our students for successful career trajectories.

Emphasizing student-centric methods, we have implemented programs centered around problem-solving, participative learning, and experiential learning, ensuring an engaging and enriching educational experience for our students.

As we reflect on the accomplishments of the past academic year, we are inspired to continue our journey towards academic excellence, innovation, and student-centric learning. We extend our heartfelt gratitude to all stakeholders—faculty, students, staff, and collaborators—for their unwavering support and commitment to the vision of the department.

Looking ahead, we remain steadfast in our mission to nurture future leaders and contribute meaningfully to the academic and professional landscape.
