## **FEEDBACK SYSTEM ACTION TAKEN REPORT EMPLOYER: 2018-19**

## ACADEMIC YEAR 2018-2019

The below table shows the action taken based on the IQAC Recommendation from the summarized Employer feedback on institutional level with relevant implementation proof as per the discussion held on 05/06/2019 .

SI No	Suggested Feedback	IQAC Recommendations	Action Taken	Proof for Implementation
01	Improve students' PowerPoint creating skills	Conduct seminar.workshops or training sessions specifically focused on PowerPoint creation skills	Scheduled sessions throughout the academic year to ensure all students have the opportunity to participate.	Student Seminar using ICT
02	More technical skill oriented courses should be included so as to enhance their technical knowhow	New courses focusing on technical skills were developed based on the identified needs and demands.	<ol style="list-style-type: none"> <li>1. The new certificate courses were integrated into the curriculum, ensuring a balanced blend of theoretical knowledge and practical skills.</li> <li>2. Adequate resources such as faculty expertise, infrastructure, and equipment were allocated to support the delivery of these technical skill-oriented courses effectively.</li> </ol>	Certificate courses on Cyber security, SPSS, Robotic, AI tools etc
03	Develop the students' presentation skills	Departments should make student seminar presentation compulsory	Compulsory Seminars presentation by students to be included.	Curriculum revised in 2019 incorporating the suggestions
04	Community service mentality to be nurtured	Encourage students to actively work among the community	CSS by students made compulsory	CSS and Other volunteer services

05

Give technical learning for students

- Providing faculty development programs to enhance teaching skills and update technical knowledge.
- Investing in infrastructure and resources such as laboratories, equipment, and software.
- Facilitating industry partnerships for internships, projects, and guest lectures.
- Promoting student participation in technical competitions, workshops, and seminars

The institution initiated the technical learning initiatives according to the established plan. This could involve scheduling classes, organizing workshops or seminars, and providing students with access to relevant learning materials.
